The Big Island, Hawaii,  
June 15- 19, 2009

## **Vast Institute® Inspired Leadership Retreat:**

Kapoho Hawaii, June 15-19, 2009

### **Invitation to Business, Executive and Professional Women:**

Twelve professional, executive and entrepreneurial women will embark together on a journey of self-discovery, honing their leadership skills while developing strategies that inspire themselves and others during these most auspicious times. The Vast Institute blends its unique leadership curriculum with ancient wisdom and the creative energies of Pele, keeper of the volcano, to produce an experience that expands your self-awareness.

During the program's four days and five nights we will combine a daily seminar with experiential excursions and assignments that nourish, delight and clarify who you choose to be in this world. Come prepared to gain greater clarity, confidence and techniques that expand your perspective, effectiveness and insight. Our goal is that you return to the mainland more confident in your abilities to lead, envision and inspire others to perform beyond their imagination.
